

## **CORPORATE FACT SHEET**

Sanesco International, Inc. is a research-driven medical company that develops clinical tools and methods for practitioners of integrative medicine to foster healing and balance within the body's Communication System, the critical component of health.

Communication System Management™ (CSM)—Sanesco's comprehensive clinical model—is unique in the industry and combines interpretation of functional laboratory data, expert correlation of laboratory data with patient symptoms, and recommendations of individualized, Targeted Nutritional Therapy™ (TNT) for improved clinical outcomes.

### **Founded**

December, 2004

### **Headquarters**

Sanesco International, 1010 Merrimon Ave., Asheville, North Carolina, 28804  
Telephone: (828) 670-5705, Toll-free (866) 670-5705; Facsimile: (828) 670-5805  
URL: [www.sanesco.net](http://www.sanesco.net)

### **Management**

Hector Romero - President and CEO  
R.W. "Chip" Watkins, MD – Chief Medical Officer

### **Products and Services**

Sanesco's diverse multi-disciplinary Medical Board, comprised of researchers and clinicians who are leaders in the field of integrative medicine, is instrumental for the ongoing development of the CSM model.

Products include non-invasive laboratory tests to establish HPA-T (hypothalamic-pituitary-adrenal-thyroid) axis function, and the TNT product line designed to restore HPA-T axis function. Services include interpretation and correlation analysis, educational training, workshops and webinars, and collaborative research with strategic partners.

### **Markets served**

Clients are practitioners of integrative medicine, including medical doctors, osteopaths, naturopaths, chiropractors, acupuncturists, nutritionists and others practicing throughout the Americas, Europe, and Asia.
